

MY WORM GUIDE

Worms are animals.
They live in the soil.

Worms are long and thin.

They are soft and round.

There are many kinds
of worms.

Some worms are big.

Some worms are small.

Worms eat many things.

They eat small plants.

They even eat small
animals.

Worms can't see.

They don't have eyes.

Worms can't walk.

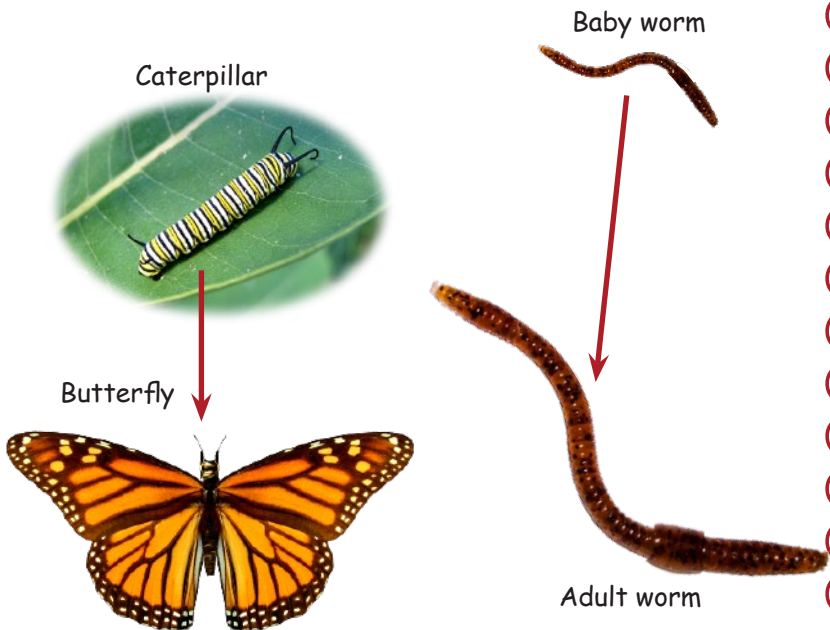

They don't have legs.

Caterpillars are not worms.

Caterpillars grow up and change.

Worms look almost the same.
