

PROPERTY WIZARD

Joe and Jake walked home from school.
Joe thought about science.

"I have a new game," Joe said. "I call it
Property Wizard. Do you want to play?"

Jake said yes.

Joe said, "I will start. See me touch things.
How are they the same?"

Joe touched a tree

and then a rock.

"They are both dirty," Jake guessed.

"They are dirty," Joe said. "But that's not
the secret property. One point for me." ★

Joe touched a stick next.

"Brown?" Jake said.

"Right!" Joe shouted. "They all are brown. That is one point for you. Now it is your turn."

Jake touched a flower

and then a mailbox.

"Smooth!" Joe said.

"No!" said Jake. "That's not the secret property. A point for me."

Jake touched a stop sign next.

"Red!" Joe guessed.

"Right! They all are red. We both have two points. We are at my house. Your new game made the walk seem shorter. It was fun."

"We can play the game again tomorrow on the walk to school." Joe said.
