

BOCES 4 Science Comprehensive Scope & Sequence

Grade	Available January 2018	Available Winter 2019	Available Jan, thru late Spring 2020	Available September 2020 or later
5	Matter and Energy in Organisms and Ecosystems: <u>Deer, Deer Everywhere</u>	Earth Systems: <u>Got Water?</u> Structure and Properties of Matter: <u>Toys Matter</u>		Space Systems: <u>Earth & Space Explorers</u>
4	Waves: <u>Riding the Waves of Information</u>	Earth Systems: <u>Earth Processes in New York State</u>	Energy: <u>Powering thru the Fair</u> – AVAILABLE January	Structure, Function and Information Processing: <u>A Walk in the Park</u>
3	Weather & Climate: <u>Investigating Weather & Climate</u>	Interdependent Relationships in Ecosystems: <u>Where are the Wolves?</u>	Inheritance and Variation of Traits: <u>Generations of Butterflies</u> AVAILABLE Late Spring	Forces and Interactions: <u>Invisible Forces</u>
2	Interdependent Relationships in Ecosystems: <u>Save the Bees</u>	Earth Systems - Processes that Shape the Earth: <u>Earth's Features</u>		Structure and Properties of Matter: <u>Made of Matter</u>
1	Waves: <u>Sending Messages with Light and Sound</u>	Structure, Function and Information Processing: <u>A Bunny's Life</u>	Space Systems: <u>Sky Patterns</u> AVAILABLE Late Spring	
K	Weather & Climate: <u>Weather For Kindergarten</u> Matter and Its Interactions: Solids and Liquids (included in Weather For Kindergarten)	Forces and Interactions: <u>Pushes and Pulls</u>		Animals, Plants and their Environment
